## EDUCATION

### Bachelor of Engineering in CSE

Chandigarh University

07/2020 - Present

Mohali

### Intermediate

Tribhuvan Devi Academy

04/2019 - 04/2020

Kadipur

### Matriculation

Tribhuvan Devi Academy

04/2017 - 04/2018

Kadipur

## PERSONAL PROJECTS

### Patient Management System (08/2024 - 08/2024)

- Next.js & Tailwind CSS: Modern, responsive UI with server-side rendering for a seamless user experience.
- Shadcn/UI Components: Consistent design with reusable, elegant UI components.
- Appwrite Backend: Secure and scalable backend for authentication, database, and storage.
- Twilio & Sentry Integration: Real-time communication and robust error monitoring for system reliability.

### Apple iPhone 15 Pro UI/UX Website: React.js, Three.js, GSAP, TailwindCSS

- Creating an immersive user interface website for the Apple iPhone 15 Pro utilizing React.js, Three.js, GSAP, and TailwindCSS.
- Implementing cutting-edge technologies to deliver captivating visual experiences and seamless interactions.
- Crafting intuitive and user-friendly interfaces that showcase the features and capabilities of the iPhone 15 Pro.

### Music School Website: Next.js, TailwindCSS, & Aceternity UI

- Building a modern and responsive user interface for a music school website using Next.js.
- Implementing sleek and customizable designs with TailwindCSS to enhance user experience.
- Leveraging the power of Aceternity UI for intuitive and visually appealing elements tailored for the music education industry.

### Nike Website - UI/UX Development using React.js & TailwindCSS

- Designed and developed the user interface for Nike's website utilizing React.js and TailwindCSS.
- Implemented responsive and visually captivating designs to elevate user experience.
- Collaborated cross-functionally to ensure the creation of intuitive interfaces that resonate with Nike's brand identity and meet customer expectations.
